An official publication of the American Academy of Allergy, Asthma, and Immunology. The Journal of Allergy and Clinical Immunology brings timely clinical papers, instructive case reports, and detailed examinations of state-of-the-art equipment and techniques to clinical allergists, immunologists, dermatologists, internists, and other physicians concerned with clinical manifestations of allergies in their practice.

The Journal of Allergy and Clinical Immunology publishes high-impact, cutting-edge clinical and translational research papers for allergists, immunologists, dermatologists, gastroenterologists, and other physicians and researchers interested in allergic diseases and clinical immunology.

Allergy, the official journal of the European Academy of Allergy and Clinical Immunology (EAACI), aims to advance, impact and communicate all aspects of the discipline of Allergy/Immunology including educational, basic, translational and clinical research and maintain contact between basic and clinical Allergy/Immunology. Allergy is an international journal with contributors and readers from all countries.

The American Academy of Allergy, Asthma & Immunology is the largest professional medical organization in the United States devoted to the allergy/immunology specialty. The AAAAI represents asthma specialists, clinical immunologists, allied health professionals and others with a special interest in the research and treatment of allergic disease.

The allergy and immunology hub contains articles on allergies, monoclonal antibodies, and autoimmune disease.
