blackberry curve | eBay
I couldn't find any answers on the support center for this, so I'll ask you guys. I'm getting a blackberry curve in a couple of days, and I have a prepaid GoPhone account. my quesion is, would the unlimited media net data plan work with this? or do you have to get the "blackberry package" on the regular plans?

Solved: using a Blackberry curve for Gophone account... da ...
When you've got a lot on the go, BlackBerry® Curve™ smartphones help keep you connected to the people and information that matter. With all the features you need and want at your fingertips, you'll have the flexibility and freedom to manage your busy life—and even have some fun along the way.

Blackberry Curve - BlackBerry Curve Smartphone Series at ...
It’s a big learning curve for me, but I’m slowly getting used to it. I don’t like change, and I would have been happy using my BlackBerry Classic forever. But alas, the BlackBerry 10 operating system isn’t being updated anymore and the few apps that I use were no longer supported for the BlackBerry operating system.

Blackberry KEY2 Black Unlocked Android Smartphone (AT&T/T ...
Curve 8300 Series. The BlackBerry Curve brand was introduced on May 3, 2007 with OS version 4.5 with the Curve 8300 series. The Curve brand continued the "consumer-oriented" philosophy of the BlackBerry Pearl and 8800 series, including multimedia features and a built-in camera. As is customary for BlackBerry devices, the 8300 series consists of several models offered by different wireless...

im upgrade is coming up soon and idk whetherrr i should get the AT&t Quickfire or the Blackberry Curve 8310? My major concern is battery life, i need a phone to last me at least a day and a half, maybe more. I dont really use the phone, i just text alot. I dont go on the internet, etc. i just do phone and texting. So which one should i get, my only concern is like battery life and durablility
